COUNTY COMMISSIONERS

Report of a Special Meeting Held
Monday, May 11, 1908

Pursuant to adjournment the Board
of County Commissioners met Mon-
day, May 11, for the purpose of hold-
ing an adjourned meeting, at 10
o'clock a. m. Present: Jno. L. Ed-
wards, chairman; C. W. Turner and
J. M. Mathews.

Thereupon Commissioner Mathews
offered the following resolution:

"Resolved that the public roads
from Ocala to Dunnellon and from
Ocala to Stokes' Ferry upon the
routes designated in the reports of
Geo. C. Cron, Thomas Sexton and
J. G. Eakin, filed with this Board at
its regular meeting in April, 1908, be
and the said roads are hereby ordered
opened as public roads upon the
routes designated in said reports, said
roads to be 30 feet wide, viz: 15 feet
on each side of the lines indicated in
said reports as the center of said
roads."

Which resolution, upon being put to
a vote, was unanimously adopted.

On motion, it was ordered that A. T.
Gunter be relieved of personal and
poll tax for 1907 in the sum of \$14.24,
it appearing that Mr. Gunter has been
absent from the county for the past
two years.

The Board thereupon adjourned un-
til the next regular meeting.

S. T. Sistrunk, Clerk.

WHY I HATE THE LIQUOR TRAFFIC

Personally, I have seen so much of
the evils of the liquor traffic in the
last four years, so much of its eco-
nomic waste, so much of its physical
ruin, so much of its mental blight, so
much of its tears and heartache, that
I have come to regard the business
as one that must be held and controlled
by strong and effective laws.

I bear no malice toward those en-
gaged in the business, but I hate the
traffic.

I hate its every phase.
I hate it for its intolerance.
I hate it for its arrogance.
I hate it for its hypocrisy.
I hate it for its cant and craft and
false pretense.

I hate it for its commercialism.
I hate it for its greed and avarice.
I hate it for its sordid love of gain
at any price.

I hate it for its domination in poli-
tics.

I hate it for its incessant effort to
debauch the suffrage of the country;
for the cowards it makes of public
men.

I hate it for its utter disregard of
law.

I hate it for its ruthless trampling
of the solemn compacts of state con-
stitutions.

I hate it for the load it straps to la-
bor's back, for the palsied hands it
gives to toll, for its wounds to genius,
for the tragedies of its might-have-
teens.

I hate it for the human wrecks it
has caused.

I hate it for the almshouses it peo-
ples, for the prisons it fills, for the
insanity it begets, for its countless
graves in potters' fields.

I hate it for the mental ruin it im-
poses upon its victims, for its spiri-
tual blight, for its moral degradation.

I hate it for the crimes it has com-
mitted.

I hate it for the homes it has de-
stroyed.

I hate it for the hearts it has bro-
ken.

I hate it for the malice it has plant-
ed in the hearts of men—for its poi-
son, for its bitterness—for the dead
sea fruit with which it starves their
souls.

I hate it for the grief it causes wo-
manhood—the scalding tears, the
hopes deferred, the strangled aspira-
tions, its burden of want and care.

I hate it for its heartless cruelty to
the aged, the infirm and the helpless,
for the shadow it throws upon the
lives of children, for its monstrous in-
justice to blameless little ones.

I hate it as virtue hates vice, as
truth hates error, as righteousness
hates sin, as justice hates wrong, as
liberty hates tyranny, as freedom
hates oppression.—Governor J. Frank
Hanley, of Indiana.

FAIRBANKS IS A DOVE OF PEACE

Chicago, May 12.—Vice President
Charles W. Fairbanks was the guest
of honor today at the dedication of
St. Stanislaus Polish Roman Catholic
Parochial School, the largest institu-
tion of its kind in the United States.

The Vice President in his address
said he would rather see the people
spend their money in building great
schools and churches than to see them
spend it in unduly expanding armies
and navies. In referring to Socialism
the Vice President said that it is a
sort of procrustean principle of soci-
ety and puts a handicap upon genius,
ability and thrift.

A GREAT LUMBER COMPANY

The Reorganized Tampa-Havana Con-
cerny Has Begun an Extensive
Advertising Campaign

With the personnel of the officers
changed and with new men entirely
on the Board of Directors, the Tampa-
Havana Lumber Company, which was
reorganized April 12, today is one of
the soundest institutions in the State
financially, and is backed by men the
aggregate of whose capital makes the
assets of the company to all practical
purposes unlimited.

Men of experience in the lumber
business, shrewd financiers, are at the
head of the reorganized Tampa-Ha-
vana Lumber Company, and they are
intent upon pushing the concern for
all it is worth. The officers are:
Thomas Dowling, of Live Oak, Pres-
ident; R. S. Hall, of Ocala, Vice Pres-
ident; Charles H. Brown, of Live Oak,
Secretary and Treasurer; Arthur Har-
daker, of Ocala, General Manager.

Already signs of rejuvenation and a
new vigor are evident at the local
plants of the company, and where, at
the time of the disbandment of the
old company, three men were em-
ployed in the novelty mill, which, by
the way, is the most complete in the
South, 27 work regularly at this time.

This mill, replete with all the requi-
site machinery, is capable of turning
out all kinds of high-class work, such
as mantels, show cases and fixtures
for offices bank and cigar factory. It
is under the direction and supervision
of A. H. McFarlan, many years a resi-
dent of the city and for many years
engaged in mill work. His connection
with the plant assures courteous,
prompt and efficient work and is a
guarantee of satisfaction.

Perusal of the list of officers shows
men known in lumber circles through-
out the South, in whom the business
world has confidence, and Tampa is
to be considered fortunate in having
acquired business relations with such
workers, who add more stamina to the
commercial centre of the State.

The News predicts a great success
ahead of the Tampa-Havana Lumber
Company, toward which it is headed
and which already it has begun to
claim as its own. Such enterprises as
this deserve the patronage of the peo-
ple, and such the News bespeaks for
the company.—Tampa News.

THE PERFECT WAY

Scores of Florida Citizens Have
Learned It

If you suffer from backache,
There is only one way to cure it.
The perfect way is to cure the kid-
neys.

A bad back means bad kidneys.
Neglect it, urinary troubles follow.
Doan's Kidney Pills are made for
kidneys only.

S. B. Lemons, cigarmaker, living at
1311 Ashley street, Tampa, Fla., says:
"I used Doan's Kidney Pills and they
cured me of backache and disorder of
the kidneys. Two or three times on
account of the pain in my back I was
unable to go to work for several days.
The secretions of the kidneys were in
very bad condition, dark in color and
if allowed to stand would become of
the consistency of jelly. I tried vari-
ous remedies, taking what seemed like
gallons of medicine and I also put on
plasters, but nothing helped me at all
until I got Doan's Kidney Pills upon
the advice of a friend of mine, and us-
ing them according to directions they
cured me in a very short while."

For sale by all dealers. Price 50
cents. Foster-Milburn Co., Buffalo,

States.
